RE: Amended December Monthly Report (11/1/2011-11/30/2011) Amendment Filed

Dear Maureen,

The Illinois Republican Party has filed an amendment to the amended December monthly report (11/1/2011-11/30/2011) in reponse to an FEC notice asking for a response on 2 points:

1. The report requests a response to the 5 additional amounts of receipts and disbursements from the October, November and December monthly reports. All of those items are in-kind transactions that were inadvertantly omitted from the original report filed, and in each case this was addressed in either the Misc. text form within the report or in a Form 99 Memo.
2. The report requests for the totals on several lines to be corrected. After extensive review, it was determined that the errors were caused by the failure to check the following boxes when filing the report within our software system: "Report Charitable Contributions on page on Line 29" and "Report Transfers to State Acct on Line 29." The same errors occured on the previous report, which resulted in a similar FEC request, which were addressed in the same manner. The amendment filed on this date for the December 2011 report resolves these errors.

Sincerely:

Dave Syverson, Treasurer
